PROFESSIONAL SUMMARY

Third-year B.Tech Computer Science student with strong skills in programming and software development. Proficient in HTML, CSS, JavaScript, Java, C, C++, Python, SQL, React, Next.js, and Django. Experienced in developing full-stack applications and backend systems, with strong problem-solving, teamwork, and adaptability skills. Open to diverse opportunities across software engineering, web development, data, and product-related roles.

SKILLS

Python|Java|JavaScript| C| C++| SQL |Django|React|Node.js| HTML |CSS| PostgreSQL|GitHub|

EDUCATION

VELLORE INSTITUTE OF TECHNOLOGY, VELLORE

Aug 2023 - Present

- Computer Science and Engineering | CGPA: 8.1

WORK EXPERIENCE

BACKEND INTERN

Sudofire Technologies LLP

May 2025 - Jun 2025

- Designed and developed a Wrong Parking Reporting System from scratch using Django and PostgreSQL for back-end functionality.
- Implemented user authentication systems and optimized database queries to enhance system efficiency.
- Deployed the system internally, delivering a responsive, reliable solution that improved incident accountability and user experience.

VOLUNTEER – COLLEGE FEST PUBLICITY & MARKETING TEAM

Vellore institute of technology, Vellore

Jan 2025 - Mar 2025

- Assisted in planning and executing marketing strategies to promote the college fest
- Managed social media campaigns and offline promotions to increase event visibility by 20%.
- Collaborated with cross-functional teams to ensure cohesive branding and messaging
- Engaged with students and external organizations to secure sponsorships and partnerships for the event

PROJECTS

WRONG PARKING SYSTEM (DEVELOPED DURING INTERNSHIP)

- A Django-based web tool that generates QR codes for vehicles to enable emergency contact when scanned. Supports secure user verification via OTP and manages incident reporting through backend APIs.

CINESCOPE – MOVIE & TV SHOW EXPLORER (PERSONAL PROJECT)

- A React app that connects to OMDB, allowing users to search and explore movies and shows with infinite scroll and polished UI interfaces.

CERTIFICATIONS

- Oracle Cloud Infrastructure 2025 Certified Generative AI Professional (issued in 2025)
